FIU has received two grants from the European Commission to establish a Jean Monnet European Center of Excellence. The Center received grants for the Jean Monnet Centre of Excellence, and for a Jean Monnet Project. The Center has been awarded a Public diplomacy EU grant 'Getting to Know Europe' from the Delegation of the European Union to the U.S.

Member of the [EU Jean Monnet Network in the US](#) & the [global network of EU-sponsored Jean Monnet centers](#) created in 1998

### Mission: To promote teaching, research, and outreach activities related to the EU

- Facilitates the development of new courses on the EU, provides for financial assistance to graduate students and faculty pursuing research on topics related to the EU.
- Holds academic conferences on EU matters, sponsors public lectures featuring EU speakers, and conducts outreach workshops for educators, journalists and media professionals, and the greater Miami business community.
- Implements high-level and high-visibility community roundtables on issues ranging from innovation & research, health, and sustainability to environmental policies.
- Implement outreach activities in South Florida's communities which foster an awareness of the role of the EU and European culture as well as environmental and socioeconomic resilience policies in building transatlantic cohesion and relations.
- Facilitates innovation & research partnerships between American and European entities.
- Promotes Horizon 2020.
