College of Engineering and Computing - EC 2300
(10555 West Flagler Street)

Dr. Astrid-Christina Koch

*Science Counselor, Science, Technology and Education
Delegation of the European Commission Washington, D.C.*

Astrid-Christina Koch works towards better awareness of funding opportunities, promotes transatlantic collaboration and helps networking and mobility of researchers. Prior to this assignment she was employed as Program Officer for Advanced Materials in Research Directorate of the European Commission. Before joining the Commission she worked as senior managing scientific officer in the German Ministry of Finance and as lecturer and chemist at the German Customs Science & Training Center. Astrid holds a Ph.D. in Natural Sciences from Kiel University.
