ÉTUDES
EN FRANCE

FRANCE
ALUMNI

usa.campusfrance.org

Beginning in the 2021/2022 academic year, the **BUT (Bachelor universitaire de technologie; technical bachelor)** is a new professional bachelor track offered exclusively in IUTs (university technical institutes). The track consists of **180 European credits** and leads to a licence degree. The **DUT (Diplôme universitaire de technologie, university technical diploma)** is an interim degree conferred on students who earn 120 European credits in the BUT track.

Dual and Joint Degrees

Innovative partnerships between French and US institutions offer pathways for French and US undergraduates and graduates that build student mobility into the DNA of the curricula.

These partnerships recognize the necessity for significant time abroad to prepare students for employment and success in fields such as international business, international relations, and language and culture.

Programs Taught in English

Choose your Program Taught in English, the online catalog:

- **More than 1600 programs**
- **All levels and disciplines**
Bachelor, Master, Summer and Short Courses...
- **Study entirely or partly in English,**
Depending on your proficiency in French

taughtie.campusfrance.org

Programs Taught in English

There are now over 1,600 degree programs in France that are taught in English.

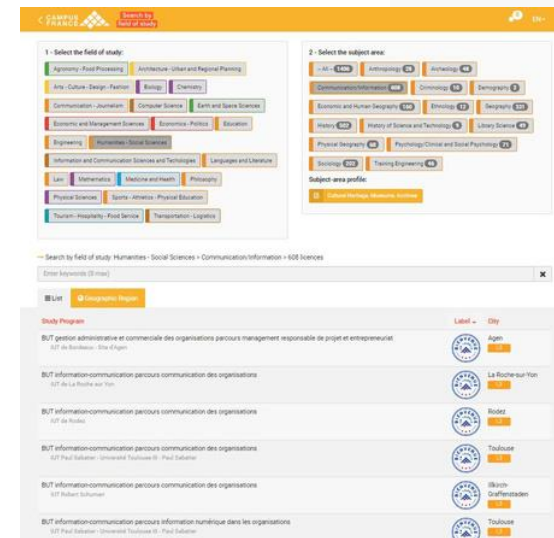

As institutions in France evolve to attract and welcome international students from around the world, they are increasingly offering degree programs taught in English to ensure these programs are accessible for non-Francophone candidates. These programs also prepare French students for global job markets.

French degree programs taught in English now include 125 undergraduate programs, 1,200 Masters programs, 90 short and professional courses, and 140 summer classes.

French Ministry of Education program for young educators

- Every year, over 1,200 US young professionals are selected to teach in French public schools as part of the [Assistants de langue en France program](#)

7-month paid teaching assistant positions in public schools

- 7 months paid contracts at the primary and secondary levels, 12 hours per week, €1010,67 gross per month.
- TAPIF works with France Éducation internationale (FEI) to place language assistants in classrooms of all ages across metropolitan France, French Guiana, Guadeloupe, Martinique, and La Réunion.

Teaching Assistant Program in France (TAPIF)

In an increasingly global job market, demand for multilingual talent continues to rise. For U.S. students who speak French, we see increasing opportunities across fields such as:

- European Affairs and Diplomacy
- International Development
- International Environmental Policy
- Global Health
- International Education
- Translation, Interpretation, and Localization
- International Business
- Urban Planning, Design, Architecture
- Sustainable Agriculture and Food Systems
- Cultural Management
- STEM Fields - Connecting with [Office for Science and Technology at the Embassy of France](#)
