

Miami-Florida Jean Monnet Center of Excellence

European and Eurasian Studies Program

RESEARCH GRANTS 2020

The Miami-Florida Jean Monnet Center of Excellence is pleased to announce the availability of research grants for faculty and advanced graduate students working on European Union Issues.

Faculty Research Grant:

- **One** Faculty Research Award of **\$1,500** is available for research related to the European Union
- All full-time faculty are eligible to apply and the research must be completed by Friday, August 16th, 2019
- The award for FIU employees may be used for any research-related purpose, including travel, data acquisition, and the like.
- For recipients of our South Florida network, we issue a lump-sum one-time payment.
- Resulting publications should be made available online at the Center's "Knowledge Portal" website.

Graduate Student Doctoral Research Grant:

- **One** graduate Doctoral Research Award of **\$1,500** is available for research related to the European Union.
- Graduate students who have completed their comprehensive examinations are eligible to apply and the research must be completed by August 14th, 2020
- The award for FIU students may be used for any research related purpose, including travel, data acquisition, and the like.
- For recipients of our South Florida network, we issue a lump-sum one-time payment. Resulting publications should be made available online at the Center's "Knowledge Portal" website.

Application:

- Proposals should be no more than three pages (double-spaced) with details of the research plan and separately a proposed budget.
- Awardees will have to write a one-page report on the result of their research.
- Full-time faculty at the following institutions are eligible to apply:
 - Florida International University (FIU) | - University of Central Florida (UCF) | - University of North Florida (UNF)
 - Florida Atlantic University (FAU) | - University of South Florida (USF)

Application deadline:

- **Friday, March 6, 2020**
- Awards will be announced no later than March 16, 2020
- Please submit proposals electronically to Christine I. Caly-Sanchez at calyc@fiu.edu

This project has received funding from the European Commission under the grant "Miami-Florida Jean Monnet Center of Excellence"
