Workshop on Horizon 2020

Presentation by Christine I. Caly-Sanchez, Miami-Florida Jean Monnet Center of Excellence

Wednesday, Sept. 26, 2018 | 2:00 PM - 3:00 PM | FIU - MMC | College of Engineering
10555 W Flagler St, Miami, FL 33174

The Miami-Florida Jean Monnet Center of Excellence at FIU is organizing under the framework of BILAT USA 4.0 a practical workshop EU-US research collaboration and funding opportunities in Horizon 2020, the European framework program for research and innovation for FIU faculty.

Christine I. Caly-Sanchez will present funding possibilities for U.S. researchers and will answer your questions on Horizon 2020.

Christine I. Caly-Sanchez is the Miami-Florida European Union Center of Excellence Associate Director/Project Manager, a position she has held since 2004. Since 2013, Christine has been in charge of facilitating innovation & research partnerships between American and European entities. As a partner in the BILAT USA 2.0 and 4.0 initiatives, she has been in charge of promoting Horizon 2020, and organizing Information session workshops in the United States for scientists, researchers, SMEs, and companies. BILAT USA 4.0 is a consortium of 10 European and 6 American scientific institutions whose goal is to promote innovation and research under the framework of the European Commission Horizon 2020 program.

This event is free but by invitation only for FIU Faculty
