Riccardo Casale (B.A. in Applied Geophysics, Genoa University, Italy, 1988; Master of Environmental Engineering, European Environmental Polytechnics Associations (EPEA), France, 1990) is EU Fellow (2006/07) at the University of Miami EU Center. In 1992 he joined the EU Commission in Brussels as an administrator on science and technology issues and research policy on the environment, natural risks and energy. He has been Visiting Professor at the Milan Polytechnic (1996-97) on European Environment Policies and at the Turin Polytechnic (1997-98) on Research Policies. Author of numerous articles, he is the editor of several books (among them, *Natural disaster and sustainable development*, Springer-Verlag; and *Natural risk and civil protection*, E&FN Spon Chapman&Hall).
