**Thursday, June 15, 2017 | 12:00 p.m.—1:00 p.m. | FIU Modesto A. Maidique Campus  
11200 SW 8th Street - Miami, FL 33199 - School of Computing & Information Sciences — Conference Room ECS 349**

The Miami-Florida Jean Monnet Center of Excellence at FIU, in collaboration with FIU Herbert Wertheim College of Medicine, is organizing under the framework of BILAT USA 4.0 a practical workshop EU-US research collaboration and funding opportunities in Horizon 2020, the European framework program for research and innovation for FIU faculty. Viktoria Bodnarova will present funding possibilities for U.S. researchers and will answer your questions on Horizon 2020.

### **Viktoria Bodnarova**

EURAXESS North America Regional Representative

Viktoria Bodnarova is the Regional Representative for EURAXESS North America, responsible for Canada and the US, as of 2013. Her main role is to inform the community of researchers of all scientific domains and nationalities based in North America about the funding and career opportunities the European Research Area (ERA) offers (European, national or regional funding opportunities). Another important role is the management of the European Scientific Diasporas in North America initiative together with the EU Delegations and EU Member/Associated Countries.

Prior to her position in the US, she was a Project Manager and EURAXESS Network Coordinator at the Academy of Sciences of the Czech Republic. Viktoria holds a Master of Arts degree in International Relations and European Studies from the Metropolitan University in Prague. During her university studies, she participated in two exchange programs at Trent University (UK) and Concordia University (Canada).
