Global epidemic, regional responses: Violence against women in the European Union and the Caribbean

Tuesday, Nov. 5, 2019 | 11:00 a.m.—12:30 p.m. | FIU MMC—GL 220
11200 SW 8th Street—Miami, FL 33199—Green Library

Gender-based violence affects a third of the globe's women. Cultural and ethical-normative, but also structural socio-economic and political factors continue to maintain and at times, exacerbate domestic violence. A panel of experts will discuss measures taken to reduce or eliminate violence against women in Europe and the Caribbean and compare and discuss policy approaches.
