EU Jean Monnet Project - Workshop

Health and Innovation: Nanotechnology for Medicine

Nanomedicine: the best practices—the latest technologies and opportunities

Wednesday, June 14, 2017 | 3:30 p.m.—5:00 p.m. | University of Miami | Medical Campus

Sylvester Comprehensive Cancer Center -1475 N.W. 12th Avenue, Miami, FL 33136

Sylvester Support Services Building – Room 110

Under the framework of the EU Jean Monnet Project, European, American and University of Miami experts in Nanotechnology in medicine will meet with faculty, scientists, and the Miami-Dade Community at large. This panel will discuss the impact of nanotechnology on medicine and its implication for the future in healthcare in Europe and in the United States. During the workshop, participants will have the opportunity to discover the latest calls on “Nanotechnology” offered by the European Commission under the framework programme for research and innovation, Horizon 2020.
